

Come to a Teach-In on one of the most important civil rights issues of our time:

Immigrant Students and the California Dream Act

Immigrant students at UCLA and other college campuses throughout the country are struggling to get an education. Join this important Teach-In to learn about:

- *The California Dream Act
- *College and High School Organizing Efforts
- *Opportunities for immigrant youth and students

We will be hearing from key elected officials, immigrant rights leaders, college faculty, and immigrant students themselves.
